

So anyone and everyone who has been to an L41 youth event can probably recognize that we have no bus right? It's a given. We need one REAL bad! So we've decided to do something about it. You can't say that we're getting off our lazy butts to do something... because in actual fact, we're doing the opposite. We're getting on our butts for a painstaking amount of time to raise money for our "pimped out" ride.

That's right! L41 is going to have a Rock-A-Thon! Now its not what you're probably thinking... You know the slamming of guitars and the bashing of drums, your typical blood, sweat, and tears. No, L41 is kicking it old school. And I mean Old-school, old-school.... Like granny old-school! We're plunking our behinds in rocking chairs for the cause! Can somebody say, "Boring!"... You'd think so wouldn't you? But it will be far from simply sitting in a chair. Oh, Yeah! We've got stuff planned that's so cool it makes 24 look like child's play... yes, yes... like Romper Room!

Our last tally of all the pledges sums up to a hefty \$387.61! That's not bad for our first outing. We hit the town up good for two hours. Hopefully you teens are working your hinds off now so you have a good reason to sit in a chair for something like nine or ten hours! Just remember, when gathering pledges, you gotta take initiative! Don't take no for an answer! Let the 'Uncle Sam' in you take over! The actual event takes over Life Church immediately after service on Friday, April 27th. Expect the unexpected!
